NOTICE

For Electronic Bidders, the estimate in BidX will automatically account for any necessary item changes (deletions, changes in quantities, or additions) that this Amendment may describe as being required regarding the project's estimated cost. Instructions to make physical changes to the Project Proposal's bid sheets are intended for "paper" Bidders who choose to submit bids via paper.

ELECTRONIC BID FILE IN BIDX

1. The electronic bid file was *not* initialized correctly at this project's inception in BidX. To address the issue of providing prospective bidders with the ability to acknowledge certifications and attach required bid forms in BidX, as was previously allowed, an amendment is now required to upload a revised electronic bid file. Doing so will restore those previous features.

The Bidder **MUST** complete Page **139** of the Proposal acknowledging receipt of this amendment. If the Bidder fails to complete the "Amendment Acknowledgement" sheet, his bid could be declared informal thereby delaying award of the contract.

PLEASE BE GOVERNED ACCORDINGLY WHEN SUBMITTING BIDS.

Chief Engineer**
